

LEGISLATIVE COMMITTEE REPORT ON LEGISLATIVE MATTERS

The Legislative Committee (LC) met on Monday, November 15.

The LC first heard a staff review of recent Federal legislation (Agenda Item C.3, Attachment 1). The LC then received an overview of the proposed Council Coordination Committee (CCC) consensus statements on Magnuson-Stevens Act reauthorization issues associated primarily with H.R. 4690. (Agenda Item C.1, Attachment 5). The LC did not have any objections to the consensus statements and recommends the Council approve the statements for incorporation into the CCC's working paper on [Regional Fishery Management Council Positions on Magnuson-Stevens Act Reauthorization Issues](#).

Future Meetings

The LC recommends that the Executive Director determine if the LC should meet in March or April 2022 based on legislative activity early in the new year.
