Monterey Bay Regional Exempted Fishing Permit

ADDENDUM

November 9, 2021

Real Good Fish would like to make the following changes to its 2023-2024 Exempted Fishing Permit (EFP) application under section "Precautionary Measures" on page 5:

1. 100% at-sea observer coverage is expected for both years of this permit. EMS solutions that we've tested were not sufficient enough to request lower levels of coverage.
6. We are not currently exempted from VMS requirements and expect our vessels to have VMS for their EFP trips in 2023-2024 as well.

Sincerely,

A handwritten signature in black ink that reads "Mark Alan Lovewell". The signature is written in a cursive, flowing style.
