## G.1 WDFW Motion – 2022 Directed Commercial Fishery

I move that the Council adopt a directed commercial fishery season structure for 2022 as recommended by the GAP in the supplemental GAP Report 1, November 2021 which is: a series of three-day openings, beginning at 8 a.m. on the fourth Tuesday in June and ending at 6 p.m. on the Thursday of that week. Additional three-day openings would occur every other week, Tuesday through Thursday, until the directed fishery allocation is obtained.
