

## NATIONAL MARINE FISHERIES SERVICE REPORT

National Marine Fisheries Service (NMFS) Northwest and Southwest Fisheries Science Centers (NWFSC/SWFSC) and West Coast Region will briefly report on recent developments relevant to salmon fisheries and issues of interest to the Pacific Fishery Management Council (Council).

It is anticipated that the NWFSC/SWFSC will provide a briefing on research topics of interest to the Council.

In addition, Ms. Susan Bishop will inform the Council on the progress of the salmon rebuilding plans currently in place; the status of the Pacific Salmon Fishery Management Plan amendment process to include the harvest control rule for Southern Oregon/Northern California Coast coho; consideration of the Southern Resident Killer Whale threshold for 2022, and updates to the status of listings petitions of interest to the Council.

### **Council Action:**

### **Council Discussion.**
