

PROPOSED AGENDA

SCIENTIFIC AND STATISTICAL COMMITTEE COASTAL PELAGIC SPECIES SUBCOMMITTEE AGENDA: REVIEW OF THE 2022 PACIFIC STARDINE STOCK ASSESSMENT UPDATE

Pacific Fishery Management Council

Online meeting

2 March 2022

This review of the 2022 Pacific Sardine Stock Assessment update will be conducted by the Pacific Fishery Management Council's (Council) Coastal Pelagic Species (CPS) Subcommittee of the Scientific and Statistical Committee (SSC). The review will follow the Council's Terms of Reference for Stock Assessment Reviews. SSC Subcommittee meetings are open to the public, and a public comment opportunity is included. Dates and times on this agenda are subject to change once the meeting begins. The meeting will be held online, with access instructions and other information available on the PFMC [website](#). Breaks will be taken as necessary, at the discretion of the Chair. The meeting is scheduled until 1 p.m. but may adjourn early if work for the day has been completed.
