Ad Hoc Marine Planning Committee

Moving forward:

- Timing, frequency, duration of MPC meetings
- Letter writing - prioritizing and process
- Letter writing - Clarify division of labor, esp fisheries issues & habitat
- Record webinars?
- Working with fishing sectors & BOEM

Ad Hoc Marine Planning Committee

Future MPC meeting & workload planning (see C8a Supp MPC Rpt)

- MPC discussed different approaches regarding timing and duration for meetings.
 - Substantial workload
 - Timing is tricky - all members are on other ABs
 - Option for future meeting: 1) longer stand-alone meetings of 1-3 days well in advance of Council meetings; 2) shorter more frequent meetings; 3) establishing monthly virtual meetings; or 4) some combination of these
 - Standing MP item on every Council meeting agenda, starting Sept 2022
