

PROPOSED AGENDA

# Scientific and Statistical Committee's Ecosystem Subcommittee

Pacific Fishery Management Council

Via Webinar

September 16, 2022

Instructions for how to connect to the webinar will be posted on the Council website with the [meeting notice](#).

Scientific and Statistical (SSC) subcommittee meetings are open to the public, and there will be opportunity for public comment. Dates and times on this agenda are subject to change once the meeting begins. The Subcommittee will report its recommendations to the full SSC which in turn is scheduled to brief the Council in March 2023.
