

ENFORCEMENT CONSULTANTS REPORT ON FUTURE COUNCIL MEETING AGENDA
AND WORKLOAD PLANNING

The Enforcement Consultants (EC) have reviewed the material associated with Agenda Item C.8, Council Meeting Agenda and Workload Planning, and have the following comments.

The EC notes in Attachment 2: Draft Proposed Council Meeting Agenda, November 2022, it lists the EC as a proposed remote meeting. The EC requests the Council consider having the EC be in person at this and future meetings. The EC sees benefits to being in person and participating in the discussion of Council matters with Council members and the other advisory body members for at least a portion of the Council meeting.

If the Council decides to change the EC to in person for the November meeting, the EC requests to have their initial meeting on November 2nd at 2pm rather than 9am to allow for travel on that day. The EC would also request to have the initial meeting be available as a hybrid meeting to allow for those who can't attend in person the ability to participate in the initial discussions and development of EC statements.
