

PROPOSED AGENDA

Ad Hoc Ecosystem Workgroup

Pacific Fishery Management Council

[Online Meeting](#)

Monday, November 21, 2022, 1:00 p.m. to 3:00 p.m. Pacific Time

Ad Hoc Ecosystem Workgroup (EWG) meetings are open to the public, and public comments may be taken at the discretion of the Chair outside of the designated public comment opportunity.

A. EWG Administrative Matters

1. Roll call and agenda overview Kit Dahl
2. Introductions and announcements Yvonne deReynier

B. Ecosystem and Climate Information Initiative Planning

Yvonne deReynier

At its September 2022 meeting the Council tasked the EWG with beginning the Ecosystem and Climate Information for Species, Fisheries, and Fishery Management Plans Initiative. In March 2023 the Council will provide direction on progressing the Initiative. For that purpose, the EWG will discuss and develop its recommendations for a draft schedule and workplan for the Initiative. The EWG may also discuss which species to pilot as focuses for the initiative.

C. Other Matters

Yvonne deReynier

The EWG may discuss other matters relevant to ecosystem-related Council activities and plan work to complete current assignments.
