

PROPOSED AGENDA

Groundfish Subcommittee of the Scientific and Statistical Committee Accepted Practices Guidelines for Groundfish Stock Assessments

Pacific Fishery Management Council
Online Meeting

December 12, 2022

Instructions for how to connect to the Scientific and Statistical Committee's (SSC) Groundfish Subcommittee online meeting will be posted on the Pacific Fishery Management Council's (Council's) [website](#) prior to the first day of the meeting.

SSC meetings are open to the public, and a public comment period has been scheduled. Additional public comments may be taken at the discretion of the Chair. Times on this agenda are subject to change once the meeting begins. Committee member work assignments are noted in parentheses at the end of each agenda item. The first name listed is the discussion leader and the second, the rapporteur.

The purpose of the SSC Groundfish Subcommittee's meeting is to develop recommendations for consideration by West Coast groundfish stock assessment scientists. Recommendations of SSC Groundfish Subcommittee members will inform the Accepted Practices Guidelines for Stock Assessments in 2023 and 2024, which is a compilation of guidelines for groundfish stock assessment scientists. The updated version of this document will be posted on the Pacific Council's website shortly after the meeting.
