February 21-24, 2023

Salmon Technical Team (STT) meetings are open to the public, and although this is not a public hearing, public comment periods are scheduled each day. Additional public comment may be accepted as time allows at the discretion of the STT Chair. This meeting is a work session for the primary purpose of developing reports to the Pacific Fishery Management Council (Council). This proposed agenda may be modified during the meeting, and estimated start times for each agenda item are also subject to change.

Please refer to the [Meeting Notice](#) on the Council’s webpage for more information.
