This GMT meeting will be held online and is open to the public. The primary purpose of the GMT webinar is to discuss the topics scheduled for the April 2023 Pacific Fishery Management Council (Council) meeting. The meeting will begin at 1:00 p.m. Pacific Time and will adjourn when business is completed for the day. Time estimates are an approximate. A single public comment session is scheduled; however, the Chair may allow public comment after each agenda item if time allows. Agenda items listed under GMT Administrative Matters are in numerical order; other agenda items reflect their Council Meeting Agenda numbering.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise, that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
