

NCCOS

NATIONAL CENTERS FOR
COASTAL OCEAN SCIENCE

We're seeking volunteers to share their thoughts about offshore wind energy on the Oregon coast!

NOAA and BOEM are developing a survey to gather people's opinions about offshore wind, and we want to make sure we ask the right questions to capture what **Oregonians really care about.**

We're looking for volunteers to participate in a focus group and give us their thoughts! NOAA wants to hear your opinions, values, attitudes, and activities related to offshore wind energy development in your state.

JOIN OUR
**FOCUS
GROUPS**

Focus groups will be held **April 18th to 20th** along the Oregon Coast. Sessions will take place during mornings and evenings, and each session will last approximately 1 hour.

If you're interested in participating, please email noaa.nccos.sstex@noaa.gov by **Friday, April 7th** with your contact information and your preferred location and time.

**Light
snacks and
refreshments
will be provided**

April 18th – Gold Beach

April 19th – Coos Bay

April 20th – Newport

10 AM & 5:30 PM
