

PROPOSED WEBINAR AGENDA

Groundfish Advisory Subpanel

Pacific Fishery Management Council

Online Webinar Meeting

June 13, 2023

The primary purpose of this online meeting is for the GAP to begin reviewing materials and preparing recommendations on groundfish matters for the June 2023 Pacific Council meeting. The GAP may also discuss other items on the Pacific Council's June agenda, particularly Pacific halibut. The meeting will begin at 9 a.m. Pacific Time and will adjourn when business is completed for the day. Time estimates are approximate. A single public comment session is scheduled; however, the Chair may allow public comment after each agenda item if time allows.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
