

H.7 2025-2026 Harvest Specifications and Management Measures Planning

Council Action:

1. Adopt a schedule and process governing the development of 2025-2026 groundfish harvest specifications and management measures.
2. Discuss and provide initial guidance on any biennial management issues that should be considered when the Council adopts management measure alternatives for analysis in November 2023.

DRAFT - NOT FOR ADMINISTRATIVE PURPOSES

ODFW Motion 1:

I move the Council:

- adopt the proposed schedule and process for developing the 2025-26 harvest specifications and management measures as shown in [Agenda Item H.7. Attachment 1, June 2023](#)
- request an updated rebuilding analysis for quillback rockfish off California to be reviewed and endorsed in time for the November Council meeting.

Moved by Lynn Mattes

Seconded by Caroline McKnight

Motion passed unanimously.
