The Coastal Pelagic Species Advisory Subpanel (CPSAS) meeting will be held online and is open to the public. Pertinent information will be posted on the [meeting webpage](#) prior to the meeting. A dedicated public comment agenda item has been scheduled. Additional public comments may be taken at the discretion of the Co-Chairs. Times on this agenda are subject to change once the meeting begins. Breaks will be taken as necessary, at the discretion of the Co-Chairs. Agenda items listed under CPSAS Administrative Matters are in numerical order; other agenda items reflect their Council Meeting Agenda numbering. Representatives from the Bureau of Ocean Energy Management (BOEM) and the National Center for Coastal Ocean Science (NCCOS) will be providing an update regarding the recently released Oregon wind energy areas. Times not specified for discussion and/or presentations will be allocated to the CPSAS’s drafting and reviewing of statements, reports, etc.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
