

CURRENT HABITAT ISSUES

The Habitat Committee (HC) will meet in person September 8 - 9, 2023, to discuss topics on the Pacific Fishery Management Council's (Council) September meeting agenda. Topics will include the Office of National Marine Sanctuaries Coral Restoration and Research Plans, preliminary consideration of proposed Highly Migratory Species Essential Fish Habitat Modifications, HC Member Updates, and other issues. The HC will produce a supplemental report for the Council's consideration. The Council should consider the material under this agenda item and provide guidance, as appropriate.

Council Action:

Consider comments and recommendations developed by the HC.
