

ENFORCEMENT CONSULTANTS REPORT ON FIXED GEAR MARKING AND
ENTANGLEMENT RISK REDUCTION; LIMITED ENTRY FOLLOW-ON ACTIONS

The Enforcement Consultants (EC) have reviewed reports associated with G.4 Fixed Gear Marking and Entanglement Risk Reduction; Limited Entry Follow-on Actions Attachment 2, and have the following comments.

Fixed Gear Marking and Entanglement Risk Reduction

The EC is comfortable with the range of alternatives presented under Items 1, 2, 4, and 5. The EC recommends Item 3 (marking surface gear only on one end) be dropped for further consideration due to the challenges that would create in enforcing closed areas.

LEFG Follow On

The EC is comfortable with the range of alternatives presented for consideration.
