

PROPOSED AGENDA

Coastal Pelagic Species Subcommittee of the Scientific and Statistical Committee Accepted Practices Guidelines for Coastal Pelagic Species Stock Assessments

Pacific Fishery Management Council
Online Meeting

September 22, 2023

This meeting of the Coastal Pelagic Species (CPS) Subcommittee of the Scientific and Statistical Committee (SSC) will be held online and is open to the public. Pertinent information will be posted on the Pacific Fishery Management Council's (Council's) [website](#) prior to the first day of the meeting. A dedicated public comment period has been scheduled. Additional public comments may be taken at the discretion of the Chair. Times on this agenda are subject to change once the meeting begins. Breaks will be taken as necessary, at the discretion of the Chair. Committee member work assignments are noted in parentheses at the end of each agenda item; names listed are rapporteurs.

The purpose of the SSC CPS Subcommittee's meeting is to develop recommendations for consideration by West Coast CPS stock assessment scientists. Recommendations of SSC CPS Subcommittee members will inform the Accepted Practices Guidelines for Stock Assessments in 2024, which is a compilation of guidelines for CPS stock assessment scientists. The updated version of this document will be posted on the Pacific Council's website shortly after the meeting.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
