

PROPOSED AGENDA

Groundfish Management Team

Pacific Fishery Management Council
Online Meeting
October 16 - 20, 2023

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise, that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.

Instructions for how to connect to the Groundfish Management Team’s (GMT) webinar will be posted on the [Pacific Fishery Management Council’s Calendar](#) prior to the first day of the meeting. GMT meetings are open to the public. Times listed in the agenda are approximations. Note, time not specified in the agenda will be allocated to the GMT’s drafting and reviewing of statements, reports, etc. A single public comment session is scheduled; however, the Chair may allow public comment after each agenda item if time allows.
