

PROPOSED AGENDA

Klamath River Fall Chinook Ad-Hoc Workgroup

Pacific Fishery Management Council
Online Meeting
October 26, 2023

This Klamath River Fall Chinook ad-hoc Workgroup (KRWG) meeting is open to the public and is a work session for the primary purpose of establishing a general timeline and workplan for identifying management measures or framework for Klamath River fall Chinook for Pacific Fishery Management Council (Council, PFMC) consideration. Please note that although this is not a public hearing, a public comment period is scheduled. Additional public comments may be taken at the discretion of the Chair. This proposed agenda may be modified during the meeting, and estimated start times for each agenda item are also subject to change.

Please refer to the [Meeting Notice](#) on the Council’s webpage for more information.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
