

PROPOSED AGENDA

Salmon Technical Team

Pacific Fishery Management Council
Online Meeting
October 24, 2023

This Salmon Technical Team (STT) meeting will be held online and is open to the public. Pertinent information will be posted to the Council's [November 2023 meeting webpage](#) prior to the meeting. A dedicated public comment agenda item has been scheduled for the day. Additional public comments may be taken at the discretion of the Chair. Dates and times on this agenda are subject to change once the meeting begins. Breaks will be taken as necessary, at the discretion of the Chair. Agenda items listed under STT Administrative Matters are in numerical order; other agenda items reflect their Council Meeting Agenda numbering. Times not specified for discussion and/or presentations will be allocated to STT's drafting and reviewing of statements, reports, etc.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
