

HIGHLY MIGRATORY SPECIES MANAGEMENT TEAM REPORT ON HIGHLY
MIGRATORY SPECIES ESSENTIAL FISH HABITAT (EFH) AMENDMENT - FINAL

The Highly Migratory Species Management Team (HMSMT) recommends the Pacific Fishery Management Council (Council) approve as final the EFH modifications identified in Agenda Item F.2, Attachment 2 and Supplemental Revised Attachment 3, in concurrence with the Supplemental Habitat Committee Report 1 and with the allowance for Council staff to address any minor edits.
