

PROPOSED AGENDA

Sacramento River Fall Chinook Ad-Hoc Workgroup

Pacific Fishery Management Council
Online Meeting
January 30-31, 2024

This Sacramento River Fall Chinook ad-hoc Workgroup (SRWG) meeting is open to the public and is a work session for the primary purpose of establishing a general timeline and workplan for developing potential improvements to Sacramento River fall Chinook assessment and management for Pacific Fishery Management Council (Council, PFMC) consideration. Please note that although this is not a public hearing, a public comment period is scheduled each day. Additional public comments may be taken at the discretion of the Chair. This proposed agenda may be modified during the meeting, and estimated start times for each agenda item are also subject to change. Please refer to the [Meeting Notice](#) on the Council’s webpage for more information.
