

TRAWL COST RECOVERY ANNUAL REPORT

Each year, the Pacific Fishery Management Council (Council) receives a report from National Marine Fisheries Service (NMFS) on cost recovery for the trawl catch share program (Agenda Item F.4.a, NMFS Report 1). The report covers costs and fee collections from the previous year along with fee rates for the current year. This agenda provides the Council an opportunity to review the cost recovery levels established by NMFS.

Council Action:

Provide Comments on the Report.
