

FURTHER DIRECTION ON 2024 MANAGEMENT MEASURES

If necessary, the Salmon Technical Team (STT) will request further clarification or direction regarding the management measures identified by the Pacific Fishery Management Council (Council) thus far at this April meeting. The Council should ensure the measures presented are those for which the Council desires full STT analysis and consideration for final adoption under Agenda Item E.6 on Wednesday, April 10.

Council Task:

Provide any needed guidance to assist the STT in its analysis of the tentative management measures.
