

PROPOSED AGENDA

# Scientific and Statistical Committee's Coastal Pelagic Species Subcommittee

Pacific Fishery Management Council  
Online meeting

April 17, 2024

The Coastal Pelagic Species (CPS) Subcommittee of the Pacific Fishery Management Council's (Council's) Scientific and Statistical Committee (SSC) will meet to review proposed updates to the CPS Terms of Reference (TOR) for the Stock Assessment Review Process in 2025-2026, and the Accepted Practices Guidelines for CPS Stock Assessments. The Pacific Sardine Stock Assessment Team as well as the CPS Management Team and CPS Advisory Subcommittee representatives to the sardine stock assessment review will provide comments. Proposed modifications will be considered by the full SSC and recommended for adoption by the Council at its June 2024 meeting.

SSC Subcommittee meetings are open to the public, and a public comment opportunity is included. Agenda times are subject to change once the meeting begins. The meeting will be held online, with access instructions and other information available on the Council [website](#). Breaks will be taken as necessary, at the discretion of the Chair. The meeting is scheduled until 1 p.m. or until work for the day has been completed.
