

CURRENT HABITAT ISSUES

The Habitat Committee (HC) will meet in person June 7 - 8, 2024 to discuss current habitat-related issues including offshore wind energy planning, the Columbia River dredging issues, Council Operations and Priorities, and other relevant topics. The HC will produce a supplemental report with information for the Council's consideration. The Council should consider the material under this agenda item and provide guidance as appropriate.

Council Action:

Consider comments and recommendations developed by the HC.
