The Enforcement Consultants (EC) meeting will be held in person for the first four days and virtually thereafter. EC meetings are open to the public, and public comments will be taken as noted in the agenda. Pertinent information will be posted on the Council’s meeting webpage prior to the meeting. Dates and times on this agenda are subject to change once the meeting begins.

The EC will cover the main topics of discussion on their first meeting day (June 7), and then meet on an ad-hoc basis as needed either in person or online through Wednesday June 12. As needed, ad-hoc sessions will be posted in the EC document “next scheduled session”, which is found on the advisory body meeting webpage for the [June Council Meeting](#).

A portion of the EC meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
