

I.2 Methodology Review: Preliminary Fishery Impact Model Topics

Council Action:

Identify Preliminary Priority Topics for Fishery Impact Model Reviews

WDFW Motion 1:

I.2 Methodology Review

I move that the Council adopt the methodology review topics as described in Supplemental GMT Report 2, Agenda Item I.2.a, September 2024 and the guidance provided by the SSC in Supplemental SSC Report 1, Agenda Item I.2.a, September 2024 to consider minor changes to the non-nearshore sablefish model.

Moved by Heather Hall

Seconded by Lynn Mattes

Motion passes unanimously
