

Scientific and Statistical Committee's Ecosystem-Based Management Subcommittee

Pacific Fishery Management Council
Via Webinar

November 5, 2024

Instructions for how to connect to the Scientific and Statistical Committee's (SSC) Ecosystem-Based Management Subcommittee (ES) webinar will be posted on the Pacific Fishery Management Council's [website](#) prior to the first day of the meeting.

SSC Subcommittee meetings are open to the public and a public comment period has been scheduled. Additional public comments may be taken at the discretion of the Chair. Times on this agenda are subject to change once the meeting begins. Subcommittee member work assignments are noted in parentheses for each agenda item; the first name listed is the discussion leader and the second is the rapporteur. The SSC ES will report recommendations to the full SSC which in turn is scheduled to brief the Council at the March 2025 meeting.
