

PROPOSED AGENDA

Salmon Technical Team

Pacific Fishery Management Council
7700 NE Ambassador Place, Ste 101
503-820-2280
January 21-24, 2025

Salmon Technical Team (STT) meetings are open to the public, and although this is not a public hearing, public comment periods are scheduled each day. Additional public comment may be accepted as time allows at the discretion of the STT Chair. This meeting is a work session for the primary purpose of developing reports to the Pacific Fishery Management Council (Council). This proposed agenda may be modified during the meeting, and estimated start times for each agenda item are also subject to change.

Please refer to the [Meeting Notice](#) on the Council’s webpage for more information. Make note of online briefings on January 22 – the STT will be meeting in-person during these agenda items, but briefings will be provided by individuals online.
