

PROPOSED AGENDA

Pre-Assessment Workshop for  
2025 Groundfish Stock Assessment of  
Yellowtail Rockfish  
(North of 40° 10' N. Lat)

Pacific Fishery Management Council  
Online Meeting

January 30, 2025

The online workshop is open to the public and instructions for how to connect to the workshop will be posted on the Pacific Fishery Management Council's (Council's) [website](#) prior to the first day of the meeting.

The purpose of the pre-assessment workshop is to review proposed data inputs, modeling approaches, and any other pertinent information to inform the 2025 stock assessment for yellowtail rockfish in the area North of 40° 10' North Latitude. The goal of the pre-assessment workshop is to promote dialogue and a common understanding regarding the best data, analytical, and modeling approaches applicable to these assessments. Stock assessment teams will solicit advice from data stewards, stakeholders, and fishery managers knowledgeable about these species.
