

PROPOSED AGENDA

Pre-Assessment Workshop for 2025 Groundfish Stock Assessments of Chilipepper Rockfish and California Quillback Rockfish

Pacific Fishery Management Council
Online Meeting

January 23, 2025

The online workshop is open to the public and instructions for how to connect to the workshop will be posted on the Pacific Fishery Management Council's (Council's) [website](#) prior to the first day of the meeting.

The purpose of the pre-assessment workshop is to review proposed data inputs, modeling approaches, and any other pertinent information to inform 2025 stock assessments for chilipepper rockfish and California quillback rockfish. The goal of the pre-assessment workshop is to promote dialogue and a common understanding regarding the best data, analytical, and modeling approaches applicable to these assessments. Stock assessment teams will solicit advice from data stewards, stakeholders, and fishery managers knowledgeable about these species.
