

NATIONAL MARINE FISHERIES SERVICE REPORT

The National Marine Fisheries Service (NMFS) West Coast Region is expected to briefly update the Pacific Fishery Management Council (Council) regarding recent regulatory developments relevant to groundfish fisheries and issues of interest to the Council including its current workload and rulemaking plans for 2025.

The NMFS Northwest Fisheries Science Center (NWFSC) is expected to discuss current groundfish-related science and research activities with the Council.

Council Task:

- 1. Consider the NMFS and NWFSC updates;**
- 2. Discuss updates and comment, as Appropriate.**

Reference Materials:

1. If received, Public Comments are electronic only ([see e-portal](#)).
