

COASTAL PELAGIC SPECIES MANAGEMENT TEAM REPORT ON  
FUTURE COUNCIL MEETING AGENDA AND WORKLOAD PLANNING

The Coastal Pelagic Species Management Team (CPSMT) is currently scheduled to attend the November 2025 Council meeting remotely. The CPSMT recommends the Council schedule a Pacific sardine stock structure agenda item for the November meeting and requests to be in-person.

The exempted fishing permit (EFP) preliminary review agenda item for November 2025 is currently shaded. The CPSMT suggests this item be removed from the agenda, as no new EFPs are expected.
