October 20-21 & 27-29, 2025

Instructions for how to connect to the Groundfish Management Team’s (GMT) webinar will be posted on the [Pacific Fishery Management Council’s Calendar](#) prior to the first day of the meeting. GMT meetings are open to the public. Times listed in the agenda are approximations. Note, time not specified in the agenda are for the GMT to draft and review of statements, reports, etc. A single public comment session is scheduled; however, the Chair may allow public comment after each agenda item if time allows.

This meeting is being conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise, that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
