

F.2 METHODOLOGY REVIEW: INTEGRATED WEST COAST PELAGICS SURVEY

Council Action:

1. Consider the IWCPS methodology, the Review Panel report, and SSC recommendations.
2. Approve the IWCPS methodology products for potential use in future stock assessments.
3. Provide additional guidance, as appropriate.

F.2 Motion 1:

I move the Council approve products of the integrated west coast pelagics survey reviewed in Agenda item F.2 Attachment 4, April 2026, for use in CPS management.
