

C.4 COUNCIL EFFICIENCIES

Council Tasks:

1. Consider the efficiencies updates in Attachments 1 and 2, provide guidance on next steps, as appropriate.
2. Confirm the proposed Council meeting schedule by FMP and Advisory Body meeting formats, provide recommendations for the meetings in red, underline in Attachment 3.
3. Adopt or Recommend Changes to Preliminary COP language.

Guidance on Council Efficiencies

The Council offers guidance that Council staff:

1. Continue with the ongoing efficiency efforts outlined in Agenda Items C.4 Attachments 1 and 2;
2. Implement the schedule in Agenda Item C.4 Attachment 3 with the following changes:
 - a. Make the GMT/GAP September of even years a “Light” remote meeting instead of Inseason only;
 - b. Schedule the HMSAS and HMSMT both as in person in June of even years and remote in September of even years; and,
 - c. Provide council staff the latitude to make adjustments as necessary.
