

H.3 Inseason Adjustments for 2026 and Technical Correction for 2027-28 – Final Action

Council Tasks:

1. Consider groundfish catch and projections.
2. Adopt 2026 inseason adjustments, as appropriate.
3. Adopt corrections to the 2027-28 harvest specifications and management measures, as appropriate.

Agenda Item H.3. ODFW Motion 1

I move the Council adopt the corrected 2027-28 harvest specifications for the Oregon/Washington stock of vermilion rockfish and the corresponding shelf rockfish complex north of 40°10' N. lat. harvest specifications values, as detailed in Table 1 of [Agenda Item H.3 Attachment 1, September 2026](#).

Moved by Lynn Mattes
