HIGHLY MIGRATORY SPECIES ADVISORY SUBPANEL REPORT ON FUTURE COUNCIL MEETING AGENDA AND WORKLOAD PLANNING

The Highly Migratory Species Advisory Subpanel (HMSAS), under Agenda Item I.5 HMS Roadmap: EFP Benchmarks and Evaluation Framework, supported asking the HMSMT with reviewing and updating the HMS Roadmap at the June 2027 meeting. The HMSAS recommends the Preliminary Year-at-a-Glance be updated to include that as an agenda item for next June.
