

CURRENT HABITAT ISSUES

The Habitat Committee (HC) met online November 10, 2025, to discuss current habitat-related issues and develop supplemental reports for Pacific Fishery Management Council (Council) consideration as necessary. Candidate topics on the HC's agenda include Marine Planning and National Oceanic and Atmospheric Administration Aquaculture Opportunity Areas, the proposed Port of Coos Bay Intermodal Project, Council Operations and Efficiencies, and HC Member Updates. The HC will also provide an update on California water issues including the Central Valley Project.

The Council should consider the material under this agenda item and provide guidance as appropriate.

Council Action:

Consider comments and recommendations developed by the HC.
