Online Meeting:

The Enforcement Consultants (EC) will meet in person for the first three days of its meeting and virtually thereafter. Instructions for how to connect to Advisory Body webinars that are not meeting in person (including the EC) will be posted on the Pacific Fishery Management Council's (Council) [November 2025 Meeting webpage](#) under the Advisory Body meetings link prior to the first day of the meeting. The main work session for the EC will occur at 2:00 p.m., Friday, November 14. Additionally, from November 15-17, the EC may convene on an ad hoc basis at other times as the need arises during the Council meeting. When these meetings are scheduled, they will be posted in the EC's [next scheduled session](#) document, which is also linked on the Advisory Body meeting page. Dates and times on this agenda are subject to change once the meeting begins.

EC meetings are open to the public, and public comments will be taken as noted in the agenda. Agenda items listed under the Enforcement Consultant Administrative and Other Matters are in numerical order; other agenda items reflect their Council Meeting Agenda numbering.

Portions of the EC meeting will be conducted remotely with a web broadcast that provides the opportunity for remote public comment. In the event an outage occurs, or technical issues arise that impact the experience of remote attendees, we will attempt to resolve them but, ultimately, we cannot guarantee that they will be resolved satisfactorily.
