Agenda Item F.1
Situation Summary
June 2026

CURRENT HABITAT ISSUES

The Habitat Committee (HC) will meet online June 2 – 3, 2026, to discuss current habitat-related issues and develop supplemental reports for Pacific Fishery Management Council (Council) consideration as necessary. Anticipated topics will include offshore oil and gas leasing, deep-sea hard mineral mining, the Olympic Coast National Marine Sanctuary management plan review, Special Projects 1 and 2, and development of the habitat issues tracking tool.

The Council should consider the material under this agenda item and provide guidance as appropriate.

Council Action:

Consider comments and recommendations developed by the HC.
