COASTAL PELAGIC SPECIES MANAGEMENT TEAM REPORT ON EXEMPTED FISHING PERMITS FOR 2026-2027 – FINAL ACTION

The Coastal Pelagic Species Management Team (CPSMT) reviewed the proposal for a renewed exempted fishing permit (EFP) from the California Wetfish Producers Association (Agenda Item F.3, Attachment 1). The CPSMT sees value in the data collected from this EFP because it is used in stock assessments and recommends the Pacific Fishery Management Council endorse the EFP application.
