PROPOSED AGENDA

Scientific and Statistical Committee Supplemental Stock Assessment Review

Pacific Fishery Management Council
Via Webinar

January 20 and 22, 2026

This Supplemental Stock Assessment Review is hosted by the Pacific Fishery Management Council (Council) and will follow the Council's Terms of Reference (TOR) for the Groundfish Stock Assessment Review Process for 2025-2026. This meeting will review the 2025 stock assessment for widow rockfish and other Council items tasked from November 2025.

Scientific and Statistical Committee (SSC) meetings are open to the public and public comment periods are scheduled each day. Additional public comments may be taken at the discretion of the Chair. Time restrictions may be implemented in order to maximize the total number of public comments that can be made during each allotted time period.

Instructions for how to connect to the SSC webinar will be posted on the Council's website prior to the first day of the meeting.

This agenda is subject to change at the discretion of the SSC Chair or Vice-Chair.

Committee member work assignments are noted in parentheses at the end of each agenda item. The first name listed is the discussion leader and the second, the rapporteur.
