

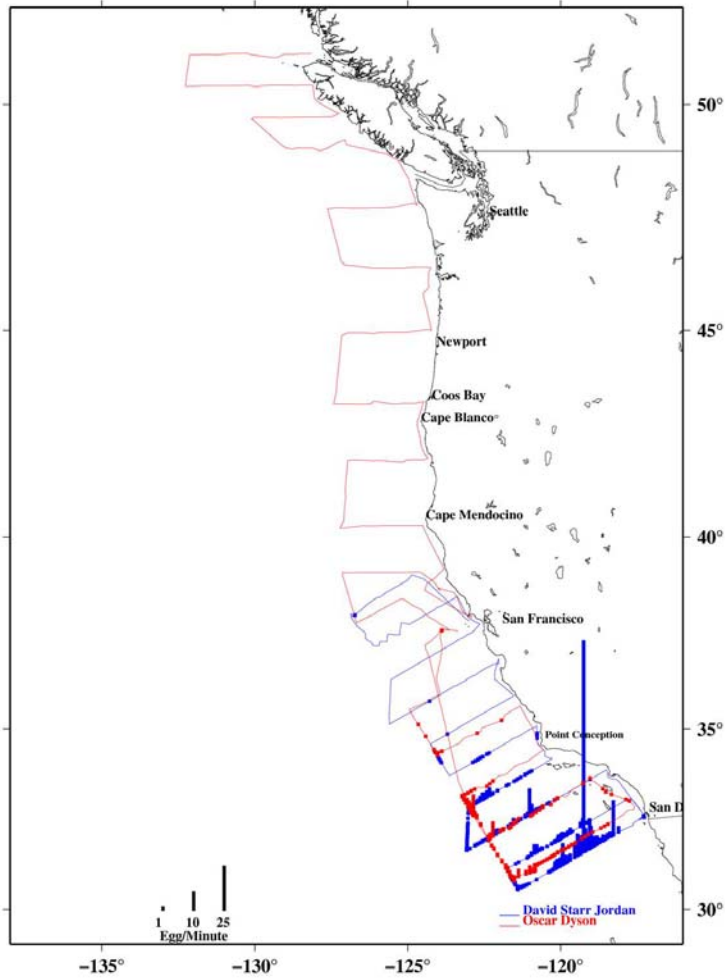

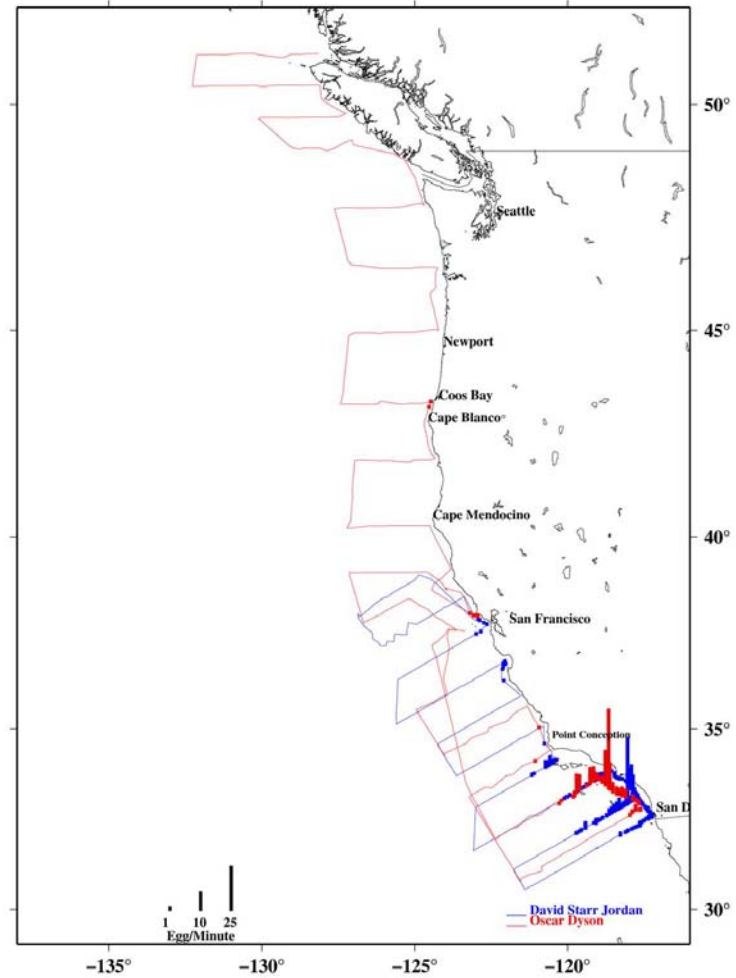

Figure 1. Distribution of jack mackerel and northern anchovy eggs collected during CalCOFI cruise 0604 (April 2006) using the Continuous Underway Fish Egg Sampler (CUFES). <http://swfsc.ucsd.edu/frd/CalCOFI/CurrentCruise/currentcruise.htm>.

Jack Mackerel

Northern Anchovy

Figure 2. Annual Pacific coast landings and real exvessel revenues for all CPS species, 1981-2005.

Figure 3. Percentage contribution of Pacific coast CPS finfish and market squid landings to the total exvessel value of all Pacific coast landings, 1981-2005.

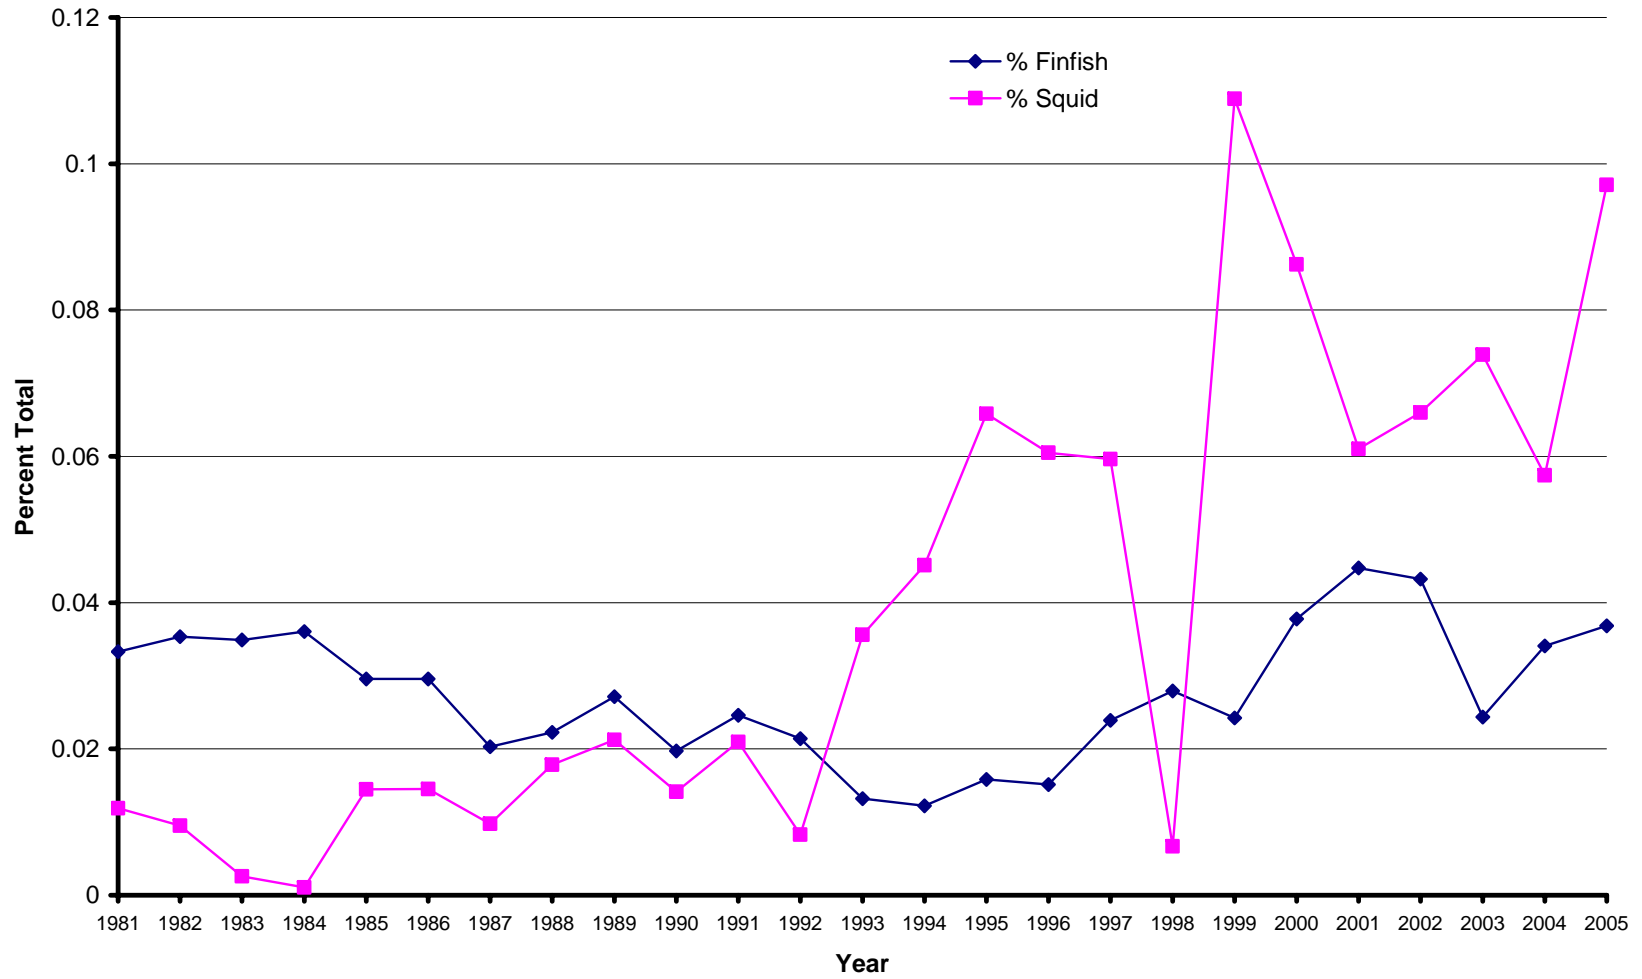

Figure 4. Pacific coast CPS finfish landings and real exvessel price (\$/lb, 2005 \$), 1981-2005.

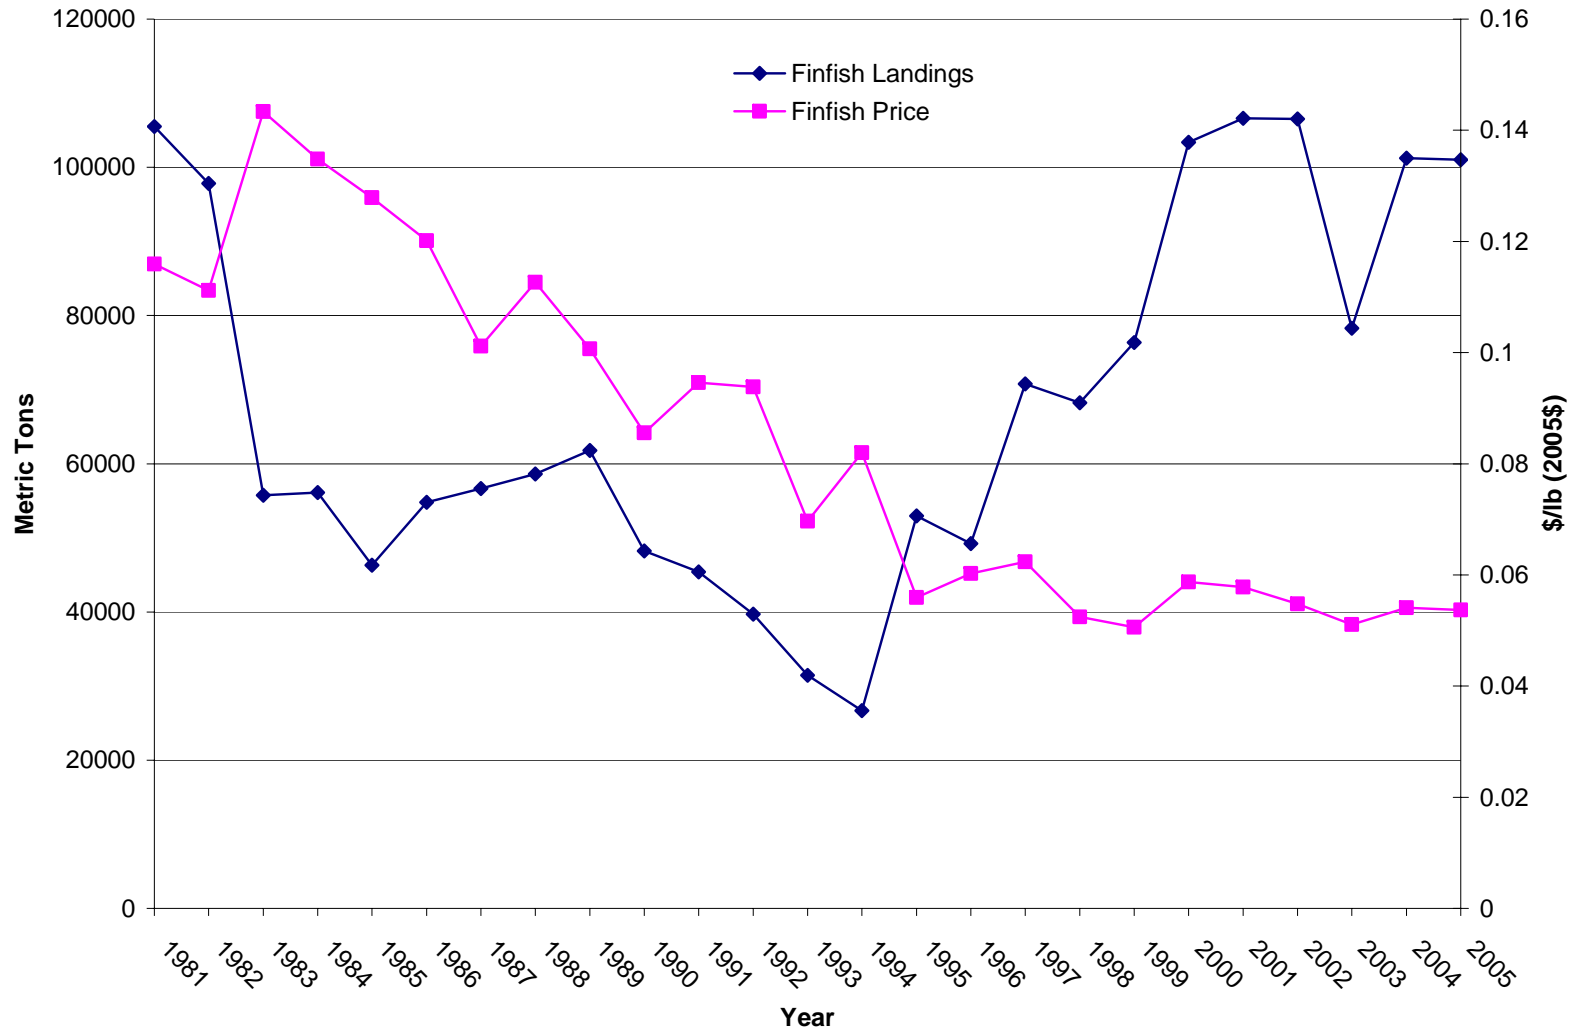

Figure 5. Pacific coast market squid landings and real exvessel price (\$/lb, 2005 \$), 1981-2005.

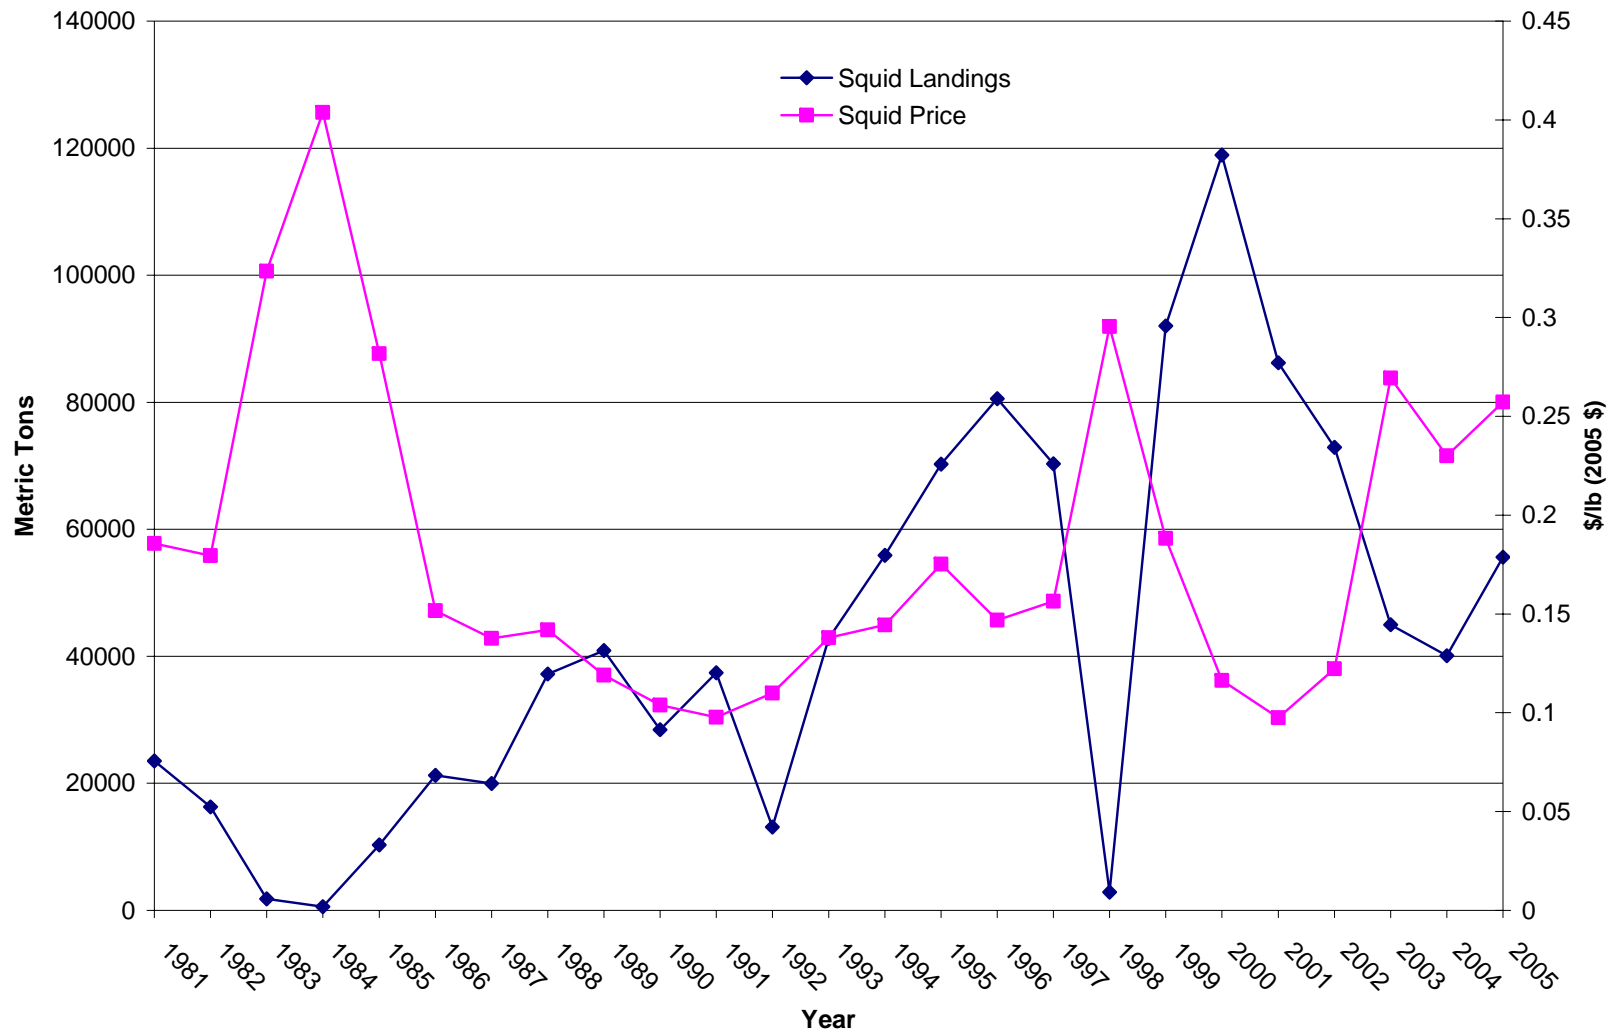

Figure 6. Number of vessels with Pacific coast landings of CPS finfish, and number for which CPS finfish was the principle species, 1981-2005.

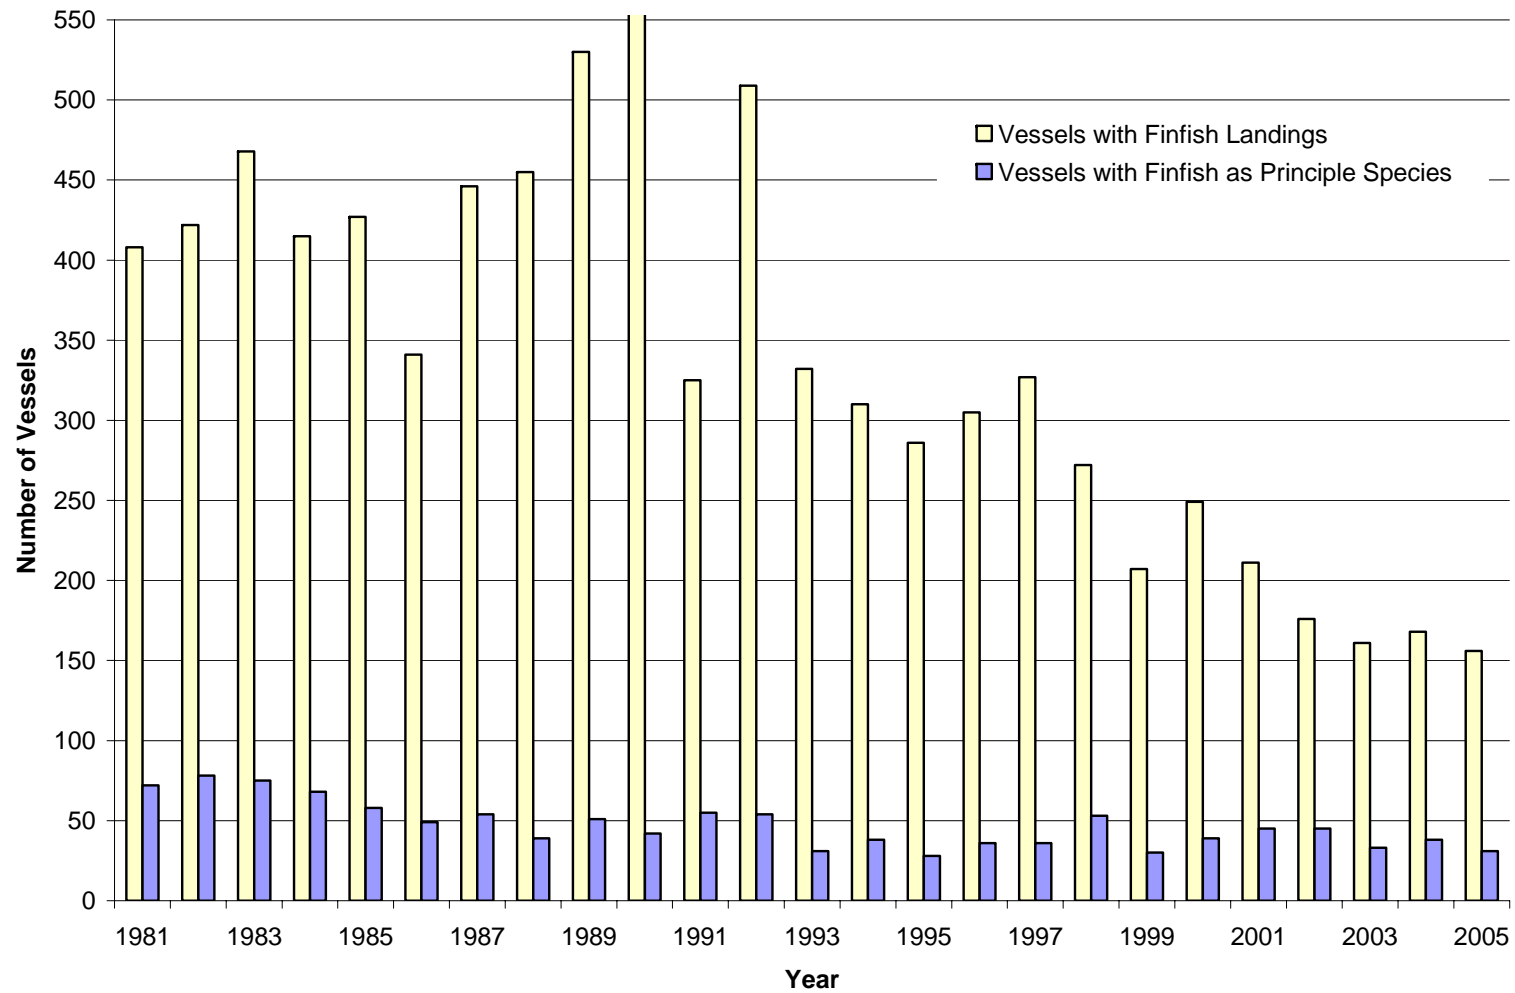

Figure 7. Number of vessels with Pacific coast landings of market squid, and number for which market squid was the principle species, 1981-2005.

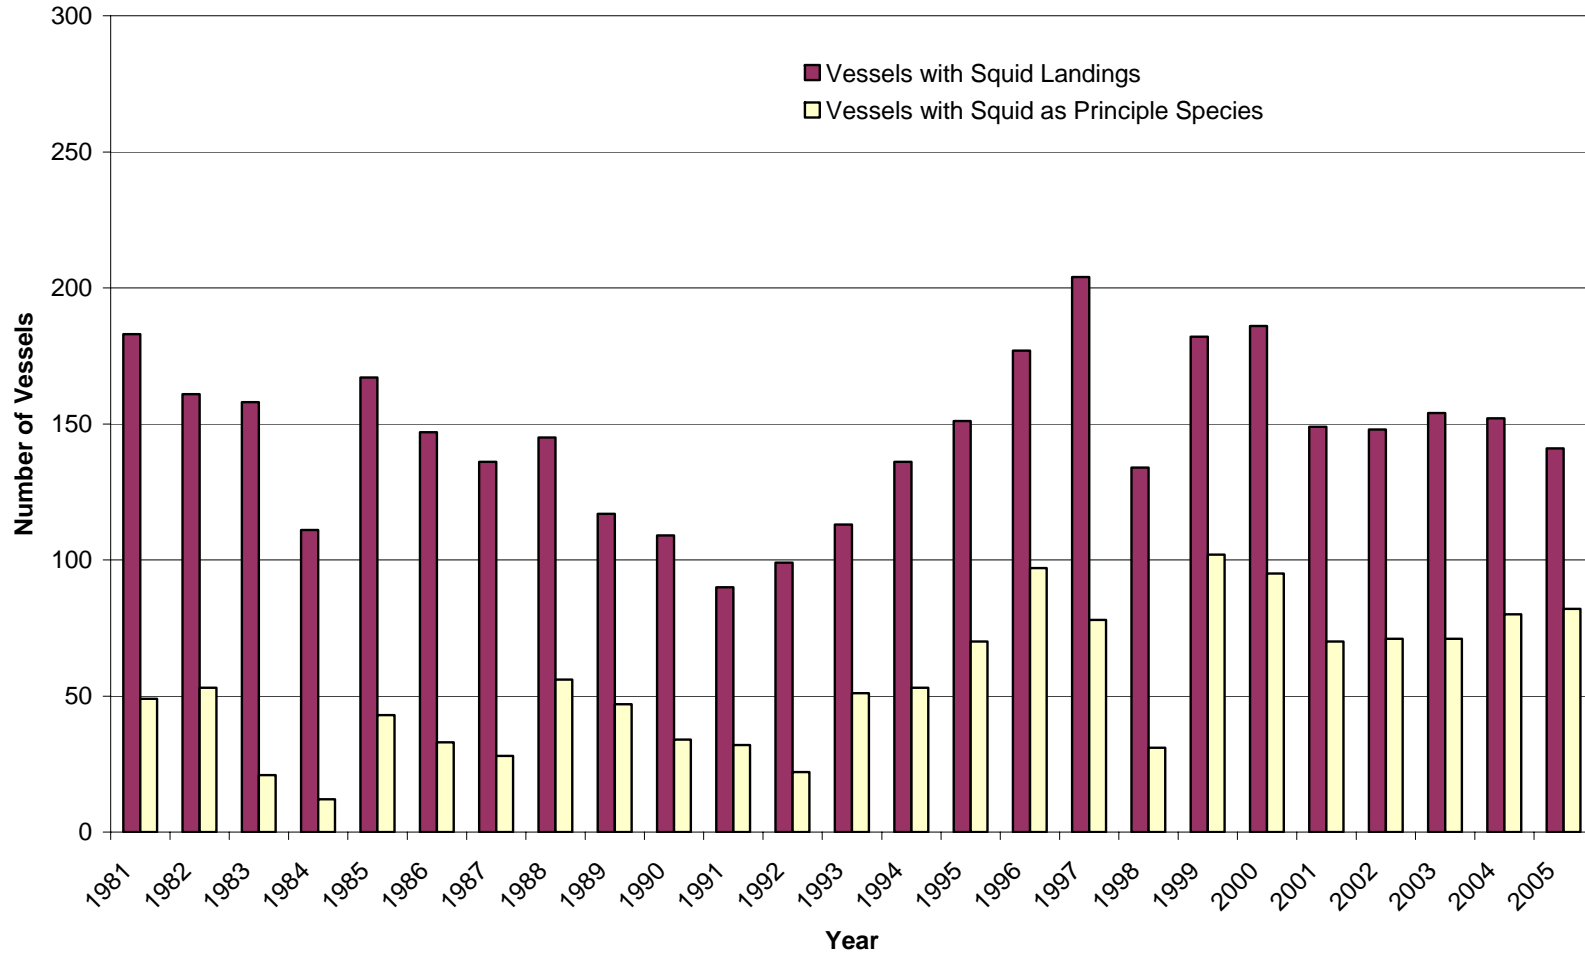

Figure 8. Average share principle species revenues of total revenues for vessels whose principle species was CPS finfish, market squid or non-CPS, 1981-2005.
