

ECOSYSTEM WORKGROUP REPORT ON FUTURE COUNCIL MEETING AGENDA
AND WORKLOAD PLANNING

The Ecosystem Workgroup (EWG) notes that agenda item C.7. Attachment 1, Pacific Council Workload Planning: Preliminary Year-at-a-Glance Summary shows a potential agenda item on the Fishery Ecosystem Plan update in June, while Attachment 3, Draft Proposed Council Meeting Agenda for June 2018 does not include that agenda item. The EWG supports the Attachment 3 agenda's removal of the Fishery Ecosystem Plan (FEP) update from the June 2018 agenda, and recommends considering the FEP update for the September 2018 meeting, to accompany the other planned-for ecosystem agenda items on the Year-at-a-Glance for September 2018.
