

Proposal for an additional option under the tiered approach for inclusion in the range of alternatives

Ranking	Qualification Criteria	Potential Number of Permits	Cumulative Permits
Initial issuance	a. "Active" DGN permit holders who elect to trade-in their permit	up to 34 DGN;	up to 70
	b. "Active" EFP participants issued before 12/31/2018 who complete 30 sets by final rule ¹	up to 27 EFP ²	
1	"Active" harpoon fishermen ³	15	up to 85
2	"Active" DGN permit holders who did not trade-in their permit	34 minus trade-in	up to 85
3	"Active" EFPs issued after 12/31/2018 who complete 30 sets by final rule	41 SBG + 11 LBG	up to 137
4	"Inactive" DGN permit holders who trade-in their permit	up to 30	up to 167
5	"Inactive" DGN permit holders who do not trade-in their permit	30 minus trade-in	up to 167
6	DSBG EFP crew members who have logged 50 days on DSBG EFP vessels	unknown	no more than 200

¹ EFP participants would be eligible to receive 2 permits if they also qualify as an "active" DGN fishermen who traded in their permit (9 permit holders would qualify for this incentive)

² This number could increase slightly if more EFPs are issued by the end of the year

³ 25 additional permits available during biennial specs process every 2 years, if warranted
