Re: Voting Membership for Principal Idaho State Official and Designee

Dear Mr. Tracy:

I am notifying the Council of my appointment as director of the Idaho Department of Fish and Game (IDFG). In this capacity, I succeed Virgil Moore, who retired effective January 7, 2019, as the principal State of Idaho official for purposes of voting membership in the Council under the Magnuson-Stevens Fishery Conservation and Management Act.

I designate Peter Hassemer to continue to serve as the IDFG Director's alternate as a voting member.

I also continue the designations of IDFG staff on PFMC Management Teams and Advisory Bodies. These include Alan Byrne (SSC) and Lance Hebdon (HC), and other IDFG staff assigned to various work groups and ad hoc committees.

Idaho recognizes the importance of the Council in marine fishery management and appreciates your service to Idaho as a member state.

Sincerely,

Ed Schriever  
Director

Cc: Sam Eaton, Policy Director, Office of the Governor  
Jim Fredericks, IDFG Chief of Fisheries  
Pete Hassemer
